Ladies and Gentlemen,

Throughout this pandemic, one of the many challenges has been the visitor restrictions we've had to put in place for everyone's safety. As we continue to make progress in our gradual return to normal operations, our Recovery Task Force has outlined a three-phased plan for enhancing our visitor guidelines. We look forward to safely welcoming visitors back to our facilities soon, as we all continue to follow the necessary precautions to keep everyone safe.

Today's Recovery Update includes details about:

- Phase 1 of our updated visitor guidelines, which will begin Monday, June 15, and be in place until Sunday, June 28.
- The importance of face masks in limiting the spread of COVID-19 and helping with our overall recovery efforts.

Thank you for your ongoing commitment,

Bo
