Ladies and Gentlemen,

As we continue to balance caring for patients with COVID-19 and our other patients, we continue to monitor and adjust our recovery efforts as necessary. I appreciate everyone's cooperation and support as we work together with a common goal of caring for our community while keeping everyone safe.

Today's Recovery Update includes:

- An update on visitor guidelines.
- The latest about our testing processes.
- Updated eye protection guidelines.
- A reminder about our Universal Masking Policy.
- News about a telehealth grant awarded to Baptist Health.

Thank you,

Bo
