Ladies and Gentlemen:

We are progressing on our organization's recovery plan, keeping the health and safety of our team and our patients top of mind.

Today's Recovery Update, attached here, includes:

- An update about our financial performance.
- Details about where we are in the recovery process and next steps as we continue to expand services to our community.
- A link to a Baptist HealthTalk podcast episode about the safety measures we are taking at all of our facilities.

Also attached is information about free COVID-19 antibody testing for employees.

Thank you for your continued hard work.

Bo
